Re: Best Efforts Reporting

Dear Andrew:

I am responding to your request for a detailed description of the Campaign Committees procedure for requesting employer and occupation information from contributors.

Our original solicitation includes a clear and conspicuous request for the contributor information and informs the contributor to the federal law for the reporting of this information.

If the information requested is not provided, the Campaign Committee sends out request letters within 30 days of receipt.

The responses, once received, are entered in the FEC database and show up on subsequent electronically filed reports.

Please be advised that the Capuano Campaign Committee follows the FEC guidelines relative to this matter.

I have enclosed a copy of a request letter and a copy of a response.

If you should need any further information, please contact me directly.

Sincerely,

Brian Mount
Treasurer
